

Be the Heartbeat of the Railway – Invitation to Join Our Signaller Talent Pool!

This is your chance to be considered for future Signaller opportunities at Three Bridges ROC:

Please note: This is not a direct offer of employment, but an invitation to join our talent pool. When vacancies arise, we'll reach out to pool members first!

Contact us: signallersnetworkrail@ambertrack.co.uk

Why Become a Signaller?

- Impact:** Signallers are at the heart of railway safety and efficiency. You'll play a vital role in keeping trains running smoothly and passengers safe.
- Variety:** Every day is different. You'll work with cutting-edge technology, solve problems, and make decisions that matter.
- Community:** Join a supportive, inclusive team where everyone's contribution is valued. We celebrate diversity and welcome applicants from all backgrounds.

Who Can Apply?

We're looking for people with a wide range of experiences and perspectives. No specific qualifications are required - just bring your enthusiasm, reliability, and a commitment to safety. If you have experience in operational environments (such as the military, emergency services, or other fast-paced roles), that's a bonus, but it's not essential.

We especially encourage applications from groups underrepresented in the rail industry. If you're passionate about making a difference, we want to hear from you!

What's Involved?

- Assessment Day:** Meet our team, take part in interviews and job simulation exercises, and show us your potential.
- Talent Pool:** Successful candidates will join our pool and be considered for future vacancies as they arise.
- Locations:** You could be placed at any of our key sites, depending on where opportunities come up.
- Training:** If selected for a role, you'll receive comprehensive training and ongoing support to help you thrive.

What You'll Need

- A positive attitude and willingness to learn
- Ability to work shifts (including nights, weekends, and bank holidays)
- Commitment to safety and teamwork
- Eligibility to work in the UK
- Ability to travel to Three Bridges ROC within 50-minutes

Ready to Take the Next Step?

If you're looking for a rewarding career where you can grow, make a difference, and be part of an inclusive team, apply to join our Signaller Talent Pool today!

We're committed to equal opportunities and creating a workplace where everyone can succeed. If you need any adjustments or support during the process, just let us know.
